Work Party

- We had on April 10, 2022- 8 Volunteers in total
- Ted and Kristen finished the fencing, we have spare wood.
- We should keep the spare wood. All under cover.
- Leaf raking, edging around bleachers.
- Ring harrowed
- Clean up of general area,
- Tub cleaned out.
- Unsuccessful in finding the pipe at the end of the ring.
-

Notes

- Facebook isn't getting a lot of response.
- Laura is getting her plumber friend to cap that line.
- No rush for the water to get turned on.
- Broken pipe in the south eastern corner of the ring- sprinkler line. Laura's friend can fix that.

Ring upgrade.

- Hogfuel- push it further back? Can we stock pile for now. Lara Fanning might be able to some. There is a fair amount of rock mixed in with it.
- Pile are about 3 high, by the ring length (220)
- Jennie is going to call logan to see if he can remove the hogfuel.
- Five Star is starting **Apr 18, 2022** for the sub base
- Turtle barrier built around the small sand ring. Would have to be on the outside on the ring.
-

IOEA

- Still committed to doing the work
- What are they doing
- Give up the round pen to finish the big ring properly
