ITEMS POSTPONED

- **SOCIETY ACT** - EBLES has two years to comply with the new Societies Act. Suggestions were made to gather information from people who may have more experience with the Societies Act.
- **FUNDRAISING**
Poker ride and ring rentals are the main source of EBLES income. Further discussion on these topics to continue in the New Year.
- **MEMBER RECRUITMENT**
Membership was low for 2016. Ideas for membership encouragement needed. Suggestion put forth to add a box on other club forms to join EBLES. More discussion to be held in January.
- Suggestion to distribute posters to barns, washrooms on trails, bulletin board at the ring with a brief summary of how joining EBLES helps to keep a voice for horses in the park. (No over signage.)
- Suggestion for a possible change of name to better define EBLES as a society to oversee the facility, as opposed to a riding club.
- Many good ideas were brought forth needing implementation and promotion. To be revisited in January.
